Both Quoted at Liberal Odds-James R. Keene's Augur in Front-Greenerest, Keynote and Cotillion the Other Winners-Five Favorites Defeated.

SARATOGA, Aug. 5.—Five favorites went down to defeat to-day in distressing style for those who are under heavy expense with limited bank rolls. The track was fast and large fields were in order. There was no stake event on the card, but three handicaps served to provide some interesting sport Woodford Clay the young Kentucky horseman, enjoyed the sensation of seeing two of his horses, both bred by him, win at generous odds. Flying Ship, at 10 to 1, was the first to score, the filly taking the first event, a handicap, for mares of all ages, at six furiongs. H. B. Duryea's Armenian and John A. Drake's Ocean Tide were equal favorites, at 2 to 1, but both were badly beaten. Shrine, 8 to 1, was in front up to the last furlong, where Helgerson got Flying Ship through an opening.
and putting him under the whip won by a head, Shrine securing the place from Letola,

80 to 1, by a length.
Young Mr. Clay's Sir Dixon filly, Outcome, at 8 to 1, took the handicap, for all ages, at a mile and a sixteenth. E. E. Smathers's Grand Opera carried both the top weight and the wise money, ruling favorite at 11 to 5 and finishing far back in the ruck. New York, 4 to 1, and The Musketeer, Fuller up, raded out in front for three-quarters of a mile, where the latter had enough. Martin assumed the leadership, with Outcome, at the mile, but it was a drive home to win by a head from New York, who was a length before Prince Ching, 25 to 1. Claude, slow to begin, made up much ground in the last quarter. The time was 1.48.
In the second event, for two-year-olds, at

five and a half furlongs, James R. Keene's
Augur, 9 to 2 favorite, ran Waterside into
submission at the last sixteenth but Third Rac tiring himself as he passed the judges a winner by a head from St. Bellane, 7 to 1, with Jack Lory, 9 to 2, a head back.

in the third race, at a mile, got off poorly, and after being shut in never had a chance to be near the money. F. R. Hitchcock's other hand made a runaway race of it, and was going away at the end when he won by four lengths in 1:40 2-5. Brooklynite, s to 1, came from nowhere and secured the place by a half a length from The Globe, a 00 to 1 shot. Glisten and Monster both burned

F. R. Thomas's Lady Potentate, 12 to 5 favorite, in the fifth race, at a mile and three sixteenths, was unable to get inside of the money. Keynote, 7 to 2, who was off next to last, ran around the field in great style, and won in a drive by three parts of a length from Conkling, 8 to 1, who beat Palm Reader 12 to 1, a head for the place. The winner was splendidly ridden by Crimmins. The was 2:01 2-5.

Mirthless, the favorite in the last race, for two-year-olds, would probably have won if she had not run to the outer rail at the head of the stretch. As it was, Frank Regan's Cotillion, backed down to 4 to 1, managed to beat the Hitchcock filly by a length and a half. Goldfleur, 15 to 1, was third.

Fields Named for the Great Republic and Special Rather Disappointing.

SARATOGA, Aug. 5.—Seven horses have been named to go in the \$50,000 Great Repub-lic Stakes, one mile and a quarter, to-morrow. Hermis is not among them because of his serious lameness. Waterboy, with top weight, 129 pounds, will only start under favorable track conditions. The Picket, with 126 pounds. is liable to have much support in view of his recent trials. James R. Keene's Delhi appears to have too much weight, 119 pounds, to stay the distance. H. B. Duryea's Accfull The trio will meet at even weights, and the

and Mercury may find favor, particularly as the former won the first time out, on Wednesday, in good style. Knight Errant has shown some fair work and Grey Friar is ready for a hard race. The field, on the whole, is a disappointment. The rich Saratoga Special, for two-year-olds, at five and a half furlongs, has dwindled down to three starters.

James R. Keene's Sysonby seems to have frightened off everybody but John A. Drake's Britisher and John E. Madden's Hot Shot. Keene colt will be an overwhelming favorite. For the Beverwyck Steeplechase, Foxhunter, For the Beverwyck Steeplechase, Foxhunter, Land of Clover, St. Jude and Tip Gallant will-find favor, no doubt. In the handicap, at a mile and a furlong, Africander will pick up the top weight, with Bulaus, Graziallo, Cloverland and others all in receipt of pounds. For the seven furlong sprint that opens the card Courtmaid, W. R. HURLEY CHAMPION AGAIN. New York A. C. Man Takes Amateur Cycle

Honors for Third Time-Kramer Wins. York Athletic Club annexed the bicycle championship of America for the third consecutive season. Hurley's work throughout the meeting has been of the highest order. He scored a total of 22 points, with Burton Downing of San José, Cal., a close second, one point behind Frank Kramer clinched his title to the N. C.

the winner.

Frank Kramer clinched his title to the N. C. A. circuit championship, running his total score up to 40 points. Willie Fenn, Kramer's team mate, could easily have beaten the champion in the one-third mile circuit champion-ship had he chosen to, for after catching the champion in the stretch he loafed home and succeeded in pocketing the field, thereby preventing it from catching Kramer. Fenn's work during thewesk stamps him as a superior rider to Kramer, for he rode all around the champion, winning when he pleased.

The feature of to-day's racing was the twenty-five mile amateur championship, in which Burton Downing of California gave a remarkable exhibition of rading and pluck. The tire on the rear wheel of Downing's machine was punctured in the eighth mile, and by the time he had changed wheels and got away the field had gained 500 yards on him. He went after his opponents, and, to the surprise and delight of the thousands in the Stadium, caught the field and then won out. G. Wiley of Syracuse took the prize for winning the largest number of laps.

The East defeated the West in the Australian pursuit race. Dorlon, the last man left on the Eastern team, catching Bower of Chicago, the only survivor of the Western team, and winning at six miles and a half.

BUFFALO HARNESS MEET ENDS. Grand Circuit Races Successful—Favorites

BOSTON, Aug. 5. - William A. Larned, former national tennis champion, won the Longwood oup for the third and final time yesterday at the Longwood Cricket Club courts. BIG PLUNGERS GET BUSY, WITH UNFORTUNATE RESULTS.

Drake and Gates Burn Up \$20,000 on Ocean Tide-Thomas Loses on Lady Potentate-Woodford Clay's Coup-F. A. Clark Buys the Chaser Presgrave.

SARATOGA, Aug. 5 .- For the first time since the meeting opened here the big bettors got busy to-day, and after the day's racing was over the majority of them wished they hadn't. for the results were of the sort that upset the A select few, that is those fortunate enough

the fortunates were few, and their profits did not begin to equal the losses of others. It was one of those days when the best of calculations were useless. Owners at the advice of their trainers bet heavily only to see their choices trailing home behind what looked like forlorn hopes. The big fry started in on a liberal limit, and as the day went on were striving to get even, but the more they bet the more they lost. The nearest approach to a winning favorite during the afternoon was Augur, and he went to the post at 41/2 to

I, equal choice with Jack Lory.

The first plunge of the day came in the opening race. The Easterners played Armenia very heavily, but John W. Gates and John A. Drake did not agree with them and sent a \$20,000 commission in on Ocean Tide from the Drake stable. It looked a big bet considering it was the filly's first appearance of the season, but she had worked well, and Trainer Wishard thought that she would surely win, but she failed by a big margin. At no stage after the start did she flatter her backers, and at the finish did not even get a share of the purse. Last year, as a twoyear-old, this filly was considered about on a par with Beldame. It looks now as if the Bennington filly could give her about twenty

pounds and beat her.

The winner of the race was the Western mare Flying Ship. Her owner, Woodford Clay, and her friends thought she would win and backed her freely at 15 to 1. Later in the day they had a genuine clean-up, backing a stable mate, Outcome, down from 15 to 1. Both were at a false price, for they rate as top-notchers in the part of the country from

E. R. Thomas, who arrived here last night, had for his good thing of the day his mare Lady Potentate in the fifth race, and he sent several thousand dollars into the ring by his commissioners, but it went the way of the dollars of the other plungers, for she finished among the also rans. Yesterday, with the bettors holding their own, it was tame to an extreme.

The fact that Britisher and Hot Shot will be the only opponents of Sysonby in the Special is of course a surprise. Still, it should not be, for all the stake as well as the gold plate goes to the winner, and it is not inviting to go chasing after the Keene colt for glory alone. There is just one man among the thousands here who refuses to concede the prize to Sysonby, and that is John E. Madden, the owner of Hot Shot. On what has been seen in public his colt looks a 100 to 1 chance, but his fast work yesterday morning, backed up by some other things he has shown in private, seems to have given Madden an idea that he has a chance of winning. It may furnished a surprise almost as startling with to see how his colt will even outrun Britisher. much less the great son of Melton, who is generally conceded to be the best horse seen here in years.

Hermis's name is not included in the list

of probable starters in the Great Republic, for the reason that he is not in condition to start. The lameness that developed after his trial yesterday morning is not serious enough to warrant his being turned out for may be that he will not start again this season. The Thomas colors will not be seen in the race, as the others entered by him are not good enough to warrant paying the starting fee. Since Dr. Kyle brought his stable here

he has been driving about in a cart behind a half brother to Commando, named Telescope, who seemed to take to the shafts much better than he did to racing. To-day, after ST. Louis, Aug. 5.—By winning the one mile national championship of America at the a dozen or more of the carriages that carry men were prompt in putting in claims for damages, and it is said that they will at once get out attachments against the stable. If Kyle offers to make good the damage, he will have to import some wagon makers, for the havoc is too great for the local work-

Presgrave will carry the colors of F. Ambrose Clark in the Beverwyck Steeplechase to-morrow. This horse, who rates as the best jumper in the West, was brought here to bid for this one race. He schooled last night in a way that delighted the experts, and several offers were made for him, with Mr. Clark the lucky bidder. The price was not made public, but it certainly was a stiff one, for Ferris has won a lot of money with him and he is considered next to invincible in the territory that he races in. He is a horse with a lot of speed, and now that he has proved that he can get over the course here he should be pretty useful.

August Belmont was at the track to-day

for the first time since the meeting opened, and he will remain over to-morrow to see the Special and Great Republic run. He expressed himself as well pleased with the meeting and will get back again several Lucien Appleby, who has been betting heavily here, had a big commission on Waterside to win the second race. It was reported that he bet \$5,000 for himself and \$1,000 for Fred Burlew, who trains the horse. Burlew was very confident that his colt would win. but it was the same old story. lot of early speed, then tailed off and was badly beaten. If this colt wins any more

races this year it will be in short dashes and against a lot of quitters like himself.

The name of John Huggins appeared on the programme to-day as the trainer of Bul-wark, who ran in the colors of H. B. Duryes, and of Bedouin, a starter in the closing event It is nine years since he last sent a horse to the post in this country, and now he simply steps in to fill in the gap made by the illness of Lew Elmore, who has been handling the two mentioned. Huggins has been resting since he returned to this country, but expects to get a few horses this fall and will take an active part in turf affairs next season. Just before the first race this afternoon big flagpole on the grand stand fell storm was threatening at the time and some one started a story that it had been struck by lightning, but it was simply a bad piece

of timber that could not stand the wind that was blowing. A breakfast party of 100, made up of members of the club and their women friends, has been arranged for to-morrow moring at the track. A number of well known horses will be worked for their edification. Pittsburg Phil bet a lot of money three

ways on Shrine. He cashed his place and show commissions and came very near getting the straight money.

Joe Yeager won well over the victory of Augur. He thought the colt's second to Sysonby the other day in the Flash Stakes

HORSE SHOW FOLKS DRENGHED. NEW YORKS JUMP TO THE TOP Jumpers and Pote Pontes in the Bay Sher Ring.

THE SUN, SATURDAY, AUGUST 6, 1904.

The attendance at the Bay Shore Horse Show yesterday was a big improvement the opening day. The exhibits included the usual saddle, harness, roadster and jumper classes, varied with a class of pole ponies. As to the weather, everything went well until 5:30 o'clock, when the bugler called a class of saddle horses. Then the rain came down in torrents and drenched the eight rider

including Miss Gertrude Sheldon, who rode the winner, Ace of Spades. In the awards the honors of the day were divided between Mrs. John Gerken, Mrs J. B. M. Grosvenor, Mrs. R. F. Carman and

Frederick G. Bourne.

To those who love the horse affeld the features of the day were the class of jumpers and class of polo ponies. A string of eight turned out for the jumping, and they were above the ordinary, but the best of the lot were Thistledown, a bay mare owned by A. E. Ashbrook, and Kingsman, a rattailed chestnut owned by Mrs. Thomas Hitchcock, Jr. Both made six clean trials, but Kingsman's style pleased the indiges better and he got the olue, the red going to Thistledown. Holloway's Gee Whiz earned third. The polo class occupied half an hour to decide the blue in the end going to Miss Electra Havemeyer with her chestnut mare Katy

The day's work opened with a class of pairs to runabouts and Mrs. John Gerken was in evidence with Newsboy and Shopgirl. There were three other competitors, among whom was Fascination and Elevation, owned by Mrs. Grosvenor. Mrs. Gerken tooled her pair with fine effect, and when the judicial department had satisfied itself on the quality of the exhibits' Newsboy and his mate carried away the blue, with Mrs. Grosvenor second and the Katzenjammer Kid and Buster Brown in third place.

Seven candidates entered the ring for the class of ponies under saddle, to be ridden by children under 15 years of age. Two were handled by girls, Miss Marian Hollins and Miss E lise Wall Ladew. The former attracted the eyes of the spectators by riding astride, while the latter contented herself with the old conventional side saddle. Miss Hollins finally secured the red ornament, the blue going to a long tailed bay gelding owned by Master Schuyler Parsons.

NOORNA WINS FIRST RACE. Canadian Boat Successful in Seawanhake

Cup Contest-Fluky Winds. MONTREAL, Quebec, Aug. 5 .- Noorna, the defender, won the first race for the Seawanhaka cup, defeating White Bear of the White Bear Club, St. Paul, the challenger, by minutes and 55 seconds over a course of twelve miles to windward and return on Lake St. Louis.

The race was sailed with a fluky wind that

veered all the way around from west to east dropping from a six knot breeze to almo nothing, then returning by patchy streaks and at one time threatening to blow great

It was a peculiar wind and during the last length of the course Noorna was beeled over abeam, while White Bear, a mile astern was slowing, coming home with a ladie breeze. Whatever luck there was in the wind after the start fell to Noorna, which was admirably bandled so as to reach the fullest advantage of whatever offered.

While a beating amounting to almost six minutes appears quite decisive, the odd man-ner in which the wind veered round the points

Sysonby the other day in the Flash Stakes warranted a much shorter price than that quoted, and profited thereby.

Jesse Lewisohn was one of the few that thought Flying Ship would win, and his agents helped in the cut of the price on the mare.

Charles Head Smith, who is betting for several plungers, went the rounds of the ring on Cotillion. Before the race it was hard to see what warranted the plunge, but the swerving of Mirthless enabled this party to win bandsomely.

It is rumored to-night that a brother of F. Ambrose Clark will go into racing on an extensive scale, and that his colors will be seen here before the meeting ends. It is believed that he has already made offers for several high-class performers.

The New York Americans shut out Cleveland yesterday, their fourth consecutive vic-tory in the West, and jumped over Boston and Chicago to first place, which position they hold by the narrow margin of one point. In this exciting pennant hunt there have been three clubs in first place in as many days. The Philadelphias, who are playing a strong game just now, beat Chicago yesterday, and Detroit beat Boston. St. Louis won from Washington. The last three games were won and lost by one run. The results: New York, 5: Cleveland, O.

CLEVELAND, Aug. 5.—By defeating Cleve-land this afternoon, while Chicago and Boston were losing, the New York Americans are in first place in the American League race. This makes the third club that has held that position this week and each time was due to the games played in this city. Boilermaker Jack Powell was the whole show this after-noon, for he held the hard hitting Clevelands down to four hits, two of them being made in the ninth inning. The other two hits were due to Bay's fast sprinting beating Williams's throw each time

Not once did Cleveland have a chance to score a run, for the Napoleons were at the mercy of Powell at all times. Bernhard mercy of Powell at all times. Bernhard started to pitch for Cleveland, but was forced to retire at the end of the fourth inning in favor of Moore. But for an error on the part of Lajoie, Moore would have made a shut-out. While in the box, Bernhard was batted hard, nine hits for a total of four runs being made off his delivery. Keeler made the play of the game when in the first inning he pulled down Flick's line drive after a hard run. The hit was good for three bases had it gone safe. Williams and Elberfeld also played a star fielding game. Keeler's batting was also a feature. The New Yorks are celebrating their advent in first place this evening and are at the Euclid Avenue Garden Theatre. The score:

From England he will go to Paris, Belgium, Italy and, possibly, Russia. Corbett will be accompanied by his former trainer, Fred Block, who is now a successful bookmaker. Corbett will not go to the other side until next spring. In the meantime he says he will engage in four fights. Besides his contemplated "go" with Jack O'Brien, he expects to meet Tommy Ryan and Bob Fitzsimmons in short contests at Philadelphia or Chicago.

Corbett has not been abroad since 1894. He went there just after his victory over Charlie Mitchell and made plenty of money. Corbett will not do any fighting on the trip. He will simply appear in the music halls. Corbett expects to be away about six months or longer if successful. Block, who is now a successful bookmaker.

McBurney Wins President's Cup at Shinneoock Hills.

SOUTHAMPTON, N. Y., Aug. 5.—The final rounds were played in the four cup events to-day in the annual tournament of the Shinnecock Hills Golf Club. This leaves only the 36 hole handicap for to-morrow, in which Walter J. Travis, who has been elected an honorary member of the club. is to start. There are seventy-seven other entries. Travis will have to work hard to win, judging by the way the players

have been scoring.

A new idea in club handles made its appearance to-day It is to finish off the butt with a groove to hold its place in the hand firmly, the same as the butt of a polo mallet The change is made by a simple alteration of the leather grip, and it is free for all to try. James A. Tyng was the first to use it here, and next Grenville Kane and Daniel

Chauncey A duel in long driving marked the match between Travers and Murdock in the semifinal for the president's cup. The latter, bar the short hole, had to play the odd seven and Travers five times in the match, and all the tie shots, except from the sixth, where Travers topped, were notably even ones. On the seventh and eighth, although having the longer ball, Murdock had to play the odd through being off the line. Travers won by 7 and 5, with a splendid card. The figures were:

Second Cup-Semi-final-Mortimer Barnes, Shel-ter Island, beat C. B. Macdonald, Garden City, by 5 up and 4 to play; C. F. Watson, Sr., Essex County beat R. H. Robertson, St. Andrews, by 2 up and 1

ST. CATHARINES, Ont. Aug. 5 .- At the Canadian Association of Amateur Oarsmen's regatta, which opened here to-day, Contance C. Titus of the Atalanta Boat Club, New York city, the man who is anxious to meet Lou Scholes, the winner of the diamond sculls in England, gave an admirable exhibition of rowing in winning the first heat of the senior single sculls. Titus went over the course of one mile and 550 yards without turning a hair. His time was 8 minutes 28 seconds. Fred Fuesel of the Harlem Boat Club, New York city, and William M.
